

HRV's licensed Professional Engineers and technical experts are available 24/7 for consultation on complex issues. We offer our knowledge through expert witness, training and technical reviews on topics including nondestructive testing, welding, fabrication processes, and coatings application.

About Us

We are leading experts in materials QA/QC inspection, CM/CI, engineering consulting, and technical training focused on delivering services for transportation, rail & transit, oil & gas, power, commercial, water/wastewater, and aviation markets worldwide. We are **Quality. Assured.**

At HRV, our clients are our focus

Our expert engineers and technicians provide insightful problem solving and issue resolution. HRV's expediting services ensure inspected materials arrive on time and in conformance with specifications.

Our dedication to technical training is a true differentiator

▲ **We support our staff in not only maintaining their current qualifications but also in adding to them. Our staff training includes:**

- American Society for Non-Destructive Testing (ASNT)
- Safety & Health
- American Welding Society Certified Welding Inspector (AWS CWI)
- The Association for Materials Protection and Performance (AMPP) [previously known as National Association of Corrosion Engineers Coating Inspector Program (NACE CIP) and Society of Protective Coatings (SSPC)]
- American Concrete Institute (ACI)
- Precast/Prestressed Concrete Institute (PCI)
- International Code Council (ICC)
- National Institute for Certification in Engineering Technologies (NICET)
- Nondestructive Testing/Evaluation Training (NDT/NDE)

FAST FACTS

- Nationally recognized technical expertise in Steel, Concrete, Coatings, CM/CI, NDT, Consulting and Training
- Engineering Consulting:
 - Audits
 - Welding Procedure Reviews
 - Project Expediting
- Key Professional Certifications:
 - Professional Engineers
 - Certified Construction Managers (CCM)
 - Construction Inspectors (NICET)
 - American Welding Society (AWS)
 - American Concrete Institute (ACI)
 - Precast/Prestressed Concrete Inst. (PCI)
 - NACE International (NACE)
 - Society for Protective Coatings (SSPC)
 - American Society for Nondestructive Testing (ASNT MT, PT, RT, UT)
 - International Code Council (ICC)
- Key Client Types:
 - State Departments of Transportation
 - Turnpike/Tollway Authorities
 - Rail/Transit Authorities
 - Oil & Gas Pipeline Owners
 - Energy Companies
 - Municipal Authorities
 - Sports & Entertainment
- A certified Woman-Owned Business Enterprise with approved DBE status in more than 25 states
